ARGUMENT IN FAVOR OF MEASURE B

Mayor Liccardo, San José police officers, firefighters, and business leaders agree: Measure B will make our city **safer and stronger**.

**Measure B is needed to improve police response times.** We have lost hundreds of police officers, making it difficult to respond quickly to 911 calls. Measure B will make funding available to hire more officers.

**Measure B is needed to reduce response times for medical emergencies, when every second counts.** Measure B raises funds that can be used to ensure that those suffering from heart attacks, strokes, or other emergencies get an immediate response.

**Measure B is needed to help fight gangs and drug crimes.** It will raise funds that can be used to expand gang suppression and prevention programs, crack down on drug dealers, and provide options for at-risk youth.

**Measure B is needed to repair roads and infrastructure.** San José has over 550 miles of major streets and neighborhood roads rated as being in "poor" or "failed" condition, with many containing huge potholes. Every dollar of Measure B revenue used to fix poor roads today will save $5 reconstructing those same roads later.

Measure B allows us to avoid debt and provides needed funding to invest in important basic services like:

- Improving 911 police and fire response times;
- Improving police response to violent and property crimes;
- Restoring additional police officers on patrol;
- Expanding proven anti-crime programs like gang prevention and after-school academics;
- Restoring fire engines, paramedic and firefighting services;
- Repairing streets.

**Measure B has strong accountability provisions.** It requires independent citizens' oversight and annual financial audits to help ensure funds are spent appropriately.
Now that we’ve tightened our belts through fiscal reforms and cut costs, we need this temporary measure to restore basic city services.

For a safer San José, Vote Yes on Measure B. Find out more at www.sjprotectsvitalservices.com.
