RECOMMENDATION

It is recommended that the Commission: a) Review the proposed fee structure for Fiscal Year 2019-2020 for the Rent Stabilization Program, as stated below; and, b) Recommend its approval to the City Council:

1) Annual Apartment Rent Control Fee: increase from $77.30 to $83.50 per unit;
2) Annual Apartment Non-Rent Control Fee: increase from $6.20 to $8.00 per unit;
3) Annual Mobilehome Rent Control Fee: increase from $25.70 to $23.00 per unit;
4) Fees in connection with withdrawal of a building under the Ellis Act Ordinance:
   increase from $2,258 to $2,354 per unit for up to ten units and decrease from $872 to $826 per unit for over ten units.

BACKGROUND

As part of the annual budgetary process, the Housing Department completes an analysis to determine the fee amounts for the various fees associated with operating the Rent Stabilization Program. The Rent Stabilization Program administers the ordinances covered under Ch. 17.22 and Ch. 17.23 of the San Jose Municipal Code, specifically the Mobilehome Rent Ordinance (Ch. 17.22), the Apartment Rent Ordinance (Parts 1-9 of Ch. 17.23), the Ellis Act Ordinance (Part 11 of Ch. 17.23), and the Tenant Protection Ordinance (Part 12 of Ch. 17.23). The provisions within those Ordinances provide the basis for setting and collecting fees on an annual basis. The fee analysis below are for these Ordinances.

The Apartment Rent Ordinance and Tenant Protection Ordinance-Chapter 17.23:

Chapter 17.23 of San Jose Municipal Code authorizes the imposition of fees chargeable against each Rental Unit covered under the Chapter. Section 17.23.400 of Ch. 17.23 states, in relevant part, “The costs of providing services and administering this Chapter shall be reimbursed to the General Fund by imposition of a fee chargeable against each Rental Unit in the City of San José subject to the provisions of this Chapter. This is the fee previously codified in Section 17.23.480 and 17.23.490 pursuant to Ordinance No. 19696 adopted August 7, 1979.
Annually there are two fees imposed to administer the Apartment Rent Ordinance (Parts 1-9) and Tenant Protection Ordinance (Part 12) under Chapter 17.23. The annual Apartment Rent Control Fee covers only rent-controlled properties. The annual Apartment Non-Rent Control Fee covers non-rent-controlled properties of three or more units. While the Rent Control Fee has existed since the Apartment Rent Ordinance was originally adopted in 1979, the Apartment Non-Rent Control Fee was later adopted in Fiscal Year 2003-2004 when Part 7 was added to Ch. 17.23. Part 7 essentially provided for non-binding mediation to non-rent-controlled landlords and tenants when no-cause notices to vacate were served.

On June 16, 2017, the Tenant Protection Ordinance (“TPO”) was adopted to replace and supersede Part 7. Unlike the prior Part 7, the TPO applies to all apartments with three or more units. The Tenant Protection Ordinance eliminated no-cause notices and requires at least one of the 13 just causes in SJMC Section 17.23.1250(A) to terminate a tenancy. Landlords must submit all notices of terminations to the Program within three days. The Rent Stabilization Program had reallocated a portion of existing staff to initially implement the TPO. The Program also hired additional staff, as described below in Phase II in Table 1, to track notices, educate tenants and landlords regarding their rights and responsibilities under the TPO and ensure proper monitoring of the TPO.

On November 14, 2017, the City Council adopted modifications to the ARO. At the same meeting, City Council adopted the staffing plan to implement the ARO, Tenant Protection Ordinance, and Ellis Act Ordinance.

Ellis Act Ordinance:

Section 17.23.1130 of the Ellis Act Ordinance states, “The city shall establish fees for city-incurred costs which shall be paid by any owner who exercises the privilege to withdraw covered units from rent or lease. The city shall set the fee so as to recover all costs of administering this part.”

Mobilehome Rent Ordinance:

Section 17.22.900 of the Mobilehome Rent Ordinance states, “A rent dispute fee is hereby imposed upon each unit which is subject to the provisions of this chapter. Said fee is imposed for the purpose of reimbursement to the City’s general fund the costs of providing and administering the administrative hearing process by this chapter.” Additionally, Section 17.22.910 states, “The city manager and the commission shall report to the city council not less than once each fiscal year their recommendation regarding the amount of the fee necessary to recover the cost of administering this chapter. The amount of the fee shall be set forth in the schedule of fees adopted by resolution of the City Council.”

ANALYSIS

Staff annually conducts a cost recovery analysis for each fee program. This analysis considers the number of apartments and mobilehomes covered by the ARO, Tenant Protection Ordinance,
Ellis Act Ordinance, and the Mobilehome Rent Ordinance, and evaluates the costs to administer those ordinances. An allocation of staffing cost and non-personal costs are calculated on a program basis.

Rent Controlled Unit Fees

This year the rent stabilized units will pay the ARO fee and the TPO fee. This is a proposed change to the methodology used to develop the program fees and will result in a change to the billing system. The reason for this change is due to the fact that apartment buildings with three units or more built prior to September 7, 1979, benefit from both the ARO and the TPO. Buildings with three units or more built after September 7, 1979 only participate in the TPO.

As directed by the City Council, the Housing Department engaged a consultant (Management Partners) to develop a staffing plan to implement the updated Apartment Rent Ordinance. The staffing proposal prepared by the consultant recommended a phased approach to introducing new positions and increasing the program fees summarized in Table 1.

Staff recommended that Phase III be further divided into two sub-components. As approved by Council, some positions would be filled at the beginning of the year with the remainder coming on board later in the year. This will result in lower expenditures in 2018-2019 than originally anticipated in the November 2017 staffing plan. Three positions are planned to be added for Phase III b in Spring 2019 which include an analyst, office specialist, and public information representative.

An analyst will focus on tracking and monitoring notices received for the TPO. The Program plans to develop an administrative citation program. The citations will be for discrete, transitory, and clear violations of the San Jose Municipal Code. The Program plans to increase the overall community compliance of the TPO. The analyst will conduct outreach to inform the community on program updates and offer counseling services to walk in customers and incoming phone calls.

An office specialist role is to support the compliance team administratively. Answering the phone and routing calls to the appropriate analyst will greatly improve the daily efficiency for staff. The specialist will follow up on just cause monitoring of the TPO. The specialist will research and validate the data of notices submitted. Communications will be directed to stakeholders that are not in compliance of the of the Ordinances. Supporting the analyst and attorney with the development of the administrative citation program will also be tasked for the current year.

A public information representative will be assisting the public information manager communicate consistent messaging from the Program. There are constant media responses and public information requests from the community. Targeted outreach will also be conducted to inform stakeholders on the Ordinances.

The estimated proposed fees for the apartments covered by the ARO is $83.50. A summary of this analysis is included in Attachment A.

### Non-Rent Control Fees (Tenant Protection Ordinance Fee)

The fees for non-rent controlled apartments will increase from $6.20 to $8.00. The TPO became effective on June 16, 2017 and the Program leveraged the existing ARO staff to assist with implementation of the TPO (successor to Part 7 in the ARO). The TPO covers most rental apartments in the City, including those covered by the Apartment Rent Ordinance and non-rent controlled buildings of three or more units. The Program has hired an additional analyst and attorney to administer compliance of the TPO. There were approximately ten thousand notices submitted to the Program during Fiscal Year 2018. Staff continues to collect and track all notices submitted for termination of tenancy. Staff reviews and validates the details of the just cause...
terminations and corresponding notices submitted. If required, staff will inquire with the landlords and tenants to assure the information submitted is accurate and not in violation of the TPO. A work plan is also being implemented to ensure proper compliance of the TPO requirements. Further analysis of the notices submitted is also being developed and staff is working with other agencies to attain an additional data source from the County. A summary of this analysis is included as Attachment A.

Ellis Act Ordinance Fees

The Ellis Act Ordinance Fees were established upon approval of the Ellis Act Ordinance in April 2017. To date, two properties have initiated an Ellis Act eviction, each paying the $2,258.00 fee. To date, $4,516 in fees have paid by property owners seeking to remove their apartments from the rental market through the Ellis Act Ordinance. As a result, actual staff time allocated to the fee analysis will be updated. The analysis completed in preparation for the 2019-2020 proposed fees and charges included an update of the associated staffing costs. A summary of this analysis is included as Attachment B. The following are the proposed changes to the Ellis Act fee structure:

- Increase from $2,258 to $2,354 per unit for up to ten units, and
- Decrease from $874 to $826 per unit for over ten units.

Mobilehome Fees

Over the past year, staffing resources were temporarily reallocated to support projects related to the ARO due to staffing turnover. This shift caused a one-time accumulation of mobilehome fees in the fund balance. Staff utilized the fund balance by allowing a one-time fee to decrease for the FY 2018-2019 year in the mobilehome fee program. In addition, no rent increase petitions were filed this past year by Park owners. This also contributed to lower costs to the Mobilehome Rent Program for FY 2018-2019. A new staff member was hired to focus on mobilehome issues and the Program anticipates utilizing the fee at rates similar to prior years in FY 2019-2020. Staff is proposing the Mobilehome fees be increased from $25.70 to $23.00.

EVALUATION AND FOLLOW-UP

Full implementation of the Rent Stabilization Program staffing plan will extend through the current fiscal year. The following public meetings will be held by the City Council to consider the proposed 2018-2019 Fees and Charges:

- April 11, 2019 – Public hearing at the Housing and Community Development (HCDC) Commission;
- TBD – City Council Action

PUBLIC OUTREACH

On April 11, 2019 the Housing and Community Development Commission will review the updated associated fee recommendations prior to City Council.

SUBJECT: RENT STABILIZATION PROGRAM REPORTS FOR FY 2018-2019
THIRD QUARTER ACTIVITIES FOR APARTMENTS

PURPOSE

The Rent Stabilization Program is providing a summary of Program activities including reports, rental market status, apartment call log inquiries, petitions filed, and average San José rents, for the third quarter 2018–2019 to the Housing Community Development Commission (HCDC). The Rent Stabilization Program provides education and information to protect the rights of, and improve relations between tenants and property owners.

PROGRAM HIGHLIGHTS

Major actions taken during the third quarter FY2018–19 are summarized below.

Ellis Act Ordinance

To date, two properties have issued a notice to withdraw their apartments from the rental market. This amounts to nine apartments. One property is a four-unit ARO apartment proposing to rebuild 285 units. Another property is a five-unit apartment complex not subject to the ARO is proposing to rebuild 249 units, which is projected to remain as rental housing. The developers will be required to re-control the greater of either the number of apartments removed from the market, or 50% of newly built ARO apartments. For these two properties, the City fee has been paid, tenants have been properly noticed and the City’s contracted relocation specialist has been working with the impacted tenants. No additional Ellis Act Ordinance filings were received by the Program in the current quarter.

On February 5, 2019 the City Council directed Staff to conduct additional analysis of the re-control provisions for the Ellis Act Ordinance and return with a verbal update. Staff has been conducting interviews with developers, lenders and tenants. Staff plans to report the findings to the City Council on April 9, 2019.
Rent Registry

The Rent Registry City of San José for Rent Stabilization Program opened August 1, 2018. All property owners subject to the can log into the Rent Registry, at https://sjregistry.force.com.

The City Council approved the creation of the Rent Registry to collect rent information and monitor rental activity among rent stabilized units. The first registration period ended on March 1, 2019 with 28,526 units registered. This number comprises 73% of the ARO housing stock.

Apartments not registered will be ineligible for general annual rent increases.

The following statistics reflect the rental information collected from the Rent Registry during the first registration period:

![Average Rent By Bedroom Size](image)
Public Outreach

Staff met with a wide range of stakeholders while conducting outreach and research for the Apartment Rent Ordinance, Tenant Protection Ordinance, and the Ellis Act Ordinance. A summary of all public meetings is listed in Attachment A.

Rent Stabilization Consortium

In March 2019 five Program Staff traveled to Southern California to meet with various Rent Stabilization Programs representing Northern and Southern California Cities. Los Angeles and West Hollywood hosted one day and staff discussed details of each programs’ rent registry, Ellis Act Ordinance, and Soft Stories program. A Rent Stabilization Consortium in Santa Monica was attended by twelve Cities to focus on future rent stabilization legislature. Programs discussed recent challenges, successes, and shared vital information to strengthen and build each Program to better their community.

Ratio Utility Billing System (RUBS) – Landlord Petitions

The Apartment Rent Ordinance, Chapter 17.23 was amended on May 22, 2018 to allow for landlords to petition for a one-time offset increase to rent. An “Offset” Petition must have been filed by October 31, 2018 and determined to be complete by November 5, 2018 for eligibility. Landlords with written utility pass through contracts for water, sewer, and/or garbage in place prior to January 1, 2018 can file the petition for a one-time rent increase. The Rent Stabilization Program received 130 RUBS petitions between July 1, 2018 and October 31, 2018. Of the 130 petitions filed, staff has mailed out 39 (703 Units) Decisions and 91 (6,933 Units) are pending a Decision. Currently Rent Stabilization Program received 10 tenant’s petitions regarding utility charges. All ten petitions are pending hearing.

Apartment Call Log Report Inquiries

From January 1, 2019 through March 31, 2019, the Rent Stabilization Program received 1,057 inquiries. During the third quarter primarily the calls received were regarding the rent registry, and landlords RUBS petitions.
A summary of calls received by the Rent Stabilization Program during the last 7 quarters are provided below:

SUBJECT: Rent Stabilization Program Reports for FY 2018-19 Third Quarter for Mobilehomes

PURPOSE

The Rent Stabilization Program (Program) is providing a summary of Program activity, including reports and mobilehome call log inquiries, for the third Quarterly Report, FY 2018-19, January 1, 2019 to March 31, 2019, regarding mobilehome issues and trends impacting San José mobilehome park communities.

This report also covers current issues in mobilehome community living. The Rent Stabilization Program provides education and information to protect the rights and improve relations between residents and park owners/managers. The Housing and Community Development Commission (HCDC) has requested periodic data from the Program.

PROGRAM HIGHLIGHTS-

Major actions taken during the third quarter of FY 2018-19 include community engagement, via public outreach and presentations about the Mobilehome Rent Ordinance. Program staff continues to engage the mobilehome community through e-mail, in-person, and telephone assistance, referrals to legal and social services, and updates of Program materials, including fact sheets and a multilingual guidebook available on the City’s mobilehome website.

Mobilehome Resources

Program staff provided an updated resource guide in English, Spanish, Chinese, and Vietnamese (coming soon). The Mobilehome Resident and Park Owner Resource Guide is an easy to read guide which provides useful information about the Mobilehome Rent Ordinance and
Mobilehome Residency Law. The purpose of the guide is to educate and encourage residents and owners to stay updated and informed about mobilehome rights and responsibilities. The guide also lists resources and referrals, including a park roster, legal and social services.

**Mobilehome Inquiries**

During this third quarter, the Rent Stabilization Program received 84 mobilehome park inquiries (Attachment A).

Types of inquiries during this third quarter include:
- Residents’ Rights
- Referral Advice
- Evictions (5)

**Mayfair Mobilehome Park (54 Spaces)**
Program staff received concerns from a resident advocate regarding sewer overcharges alleging a violation of the Mobilehome Residency Law (MRL), Section 798.41, titled “Utilities Separately Billed – Reduced from Rent” Program staff met with the park owner, manager and resident and provided an analysis of an overpayment of the resident’s billing invoices. Program staff assisted the resident with a reimbursement of $997.42.

**San Jose Verde Mobilehome Park (149 Spaces)**
Program staff continues to receive complaints, including but not limited to service reductions and overcharges from the residents’ Home Owner Association (HOA) President as they file complaints with multiple enforcement agencies throughout the state. Program staff referred the HOA President to a mobilehome resident advocate group and legal services for assistance.

Program staff also received complaint from a resident who alleged he was coerced into a long-term lease agreement which exempts his space from rent control. The resident’s rent is at market rate and he is experiencing difficulty in selling his mobilehome. Program staff referred the resident to legal services for assistance.

**Colonial Mobile Manor Mobilehome Park (207 Spaces)**
On December 14, 2018, Program staff mailed a reconsidered decision titled “Order on Petition for a Writ of Mandate After Remand from Superior Court” to all parties in a 2013 Landlord Petition. The decision followed a superior court order vacating the Hearing Officer’s prior decision issued on February 10, 2014. The Hearing Officer’s reconsideration decision change a rent increase from $0 to a $45.06 rent increase per space per month. Program staff received numerous inquiries and Program staff briefly explained the petition process, the decision, the appeal and the reconsideration for the rent increase. Program staff informed residents that the new decision could not be appealed with the City of San Jose’s Rent Stabilization Program and referred residents to legal services for assistance.
Eastridge Estates Mobilehome Park (187 Spaces)
Program staff received a resident complaint regarding a tree dispute. According to the resident, the park manager has requested that the resident pay for a tree removal on their lot. A contracted arborist determined that the tree suffers from a fungal infection that cannot be treated, and if not properly taken care of, will become hazardous. The resident claims that the tree was overgrown upon their move in, seven years ago. The resident has cared for the tree by trimming and watering it to the best of their ability. The tree now poses a potential hazard to the resident’s home and the resident believes that the park owner is responsible for its removal, in accordance with the Mobilehome Residency Law, Section 798.37.5, titled “Trees and Driveways”.

Per the resident, the previous manager verbally stated that the park would remove the tree if it became hazardous, however, nothing was put in writing. New park manager proposes to remove the tree and to split the cost, 50%-50% for removal costs where the resident can pay 50% of the cost in payments to the park. However, the resident does not agree to the manager’s proposal. Program staff conducted a site visit to meet and discuss the issue with the resident and park manager. The parties were unable to come to an agreement. Program staff has referred the resident and park manager to legal services for assistance.

Mobilehome Manor Mobilehome Park (81 Spaces)
Program staff received resident complaints about their safety due to ongoing inspections of their home without notice. According to a resident, two men, who would not identify themselves, took pictures of their home, entered the property without permission or notice and returned to the manager's office. Residents have invited Program staff to participate in workshop to provide a presentation about the City’s Mobilehome Rent Ordinance and their rights and responsibilities.

Oakcrest Estates Mobilehome Park (158 Spaces)
Program staff received an invitation to speak at a Home Owner Association (HOA) meeting and provide a presentation about utility overcharges. Program staff provided information and resources, including but not limited to the Mobilehome Rent Ordinance, Mobilehome Residency Law, Weights and Measures, California Public Utilities Commission, and legal services. Program staff has received one inquiry about a possible overcharge in utility billing.

Winchester Mobilehome Park (111 Spaces)
Program staff received a complaint from a resident advocate regarding anti-displacement allegations. Program staff is tracking self-reported mobilehome evictions and has referred impacted residents to legal services for assistance.

In addition, residents continue to be impacted by a park closure as subject to the Mobilehome Conversion Ordinance. On March 21, 2019, residents attended a community meeting hosted by the City of San Jose’s Planning, Building, and Code Enforcement (PBCE). The meeting was about a Notice of Preparation of an Environmental Impact Report for the Winchester Ranch Residential Project (File No: GP18-014- PDC18-037). The project applicant listed Pulte Homes Company, LLC. who provided a presentation about the scope of the Environmental Impact
Report and addressed resident concerns of traffic congestion, emergency preparedness, and proposed amenities for the proposed layout of the new buildings.

*Magic Sands Mobilehome Park (541 Spaces)*
Program staff received a complaint from a resident who received an eviction notice for violating their park rules. Program staff referred the resident to resident advocacy group and legal services for assistance. The resident later notified Program staff that the eviction notice was rescinded with the assistance from a resident organization.

**Evictions**

The Housing and Community Development Commission were concerned with mobilehome anti-displacement and requested from Program staff data on mobilehome eviction notices. In response to the Commission, Program staff has five (5) self-reported cases and is limited to the outcome to each self-report. Below is a brief summary of each eviction.

*Winchester Ranch*

¿Qué es la Ordenanza de Alquiler de Casas Móviles?

La Ordenanza de Alquiler de Casas Móviles de San José cubre (59) cincuenta y nueve parques de casas móviles y aproximadamente 10,838 lotes de casas móviles en la Ciudad de San José.

La Ordenanza:

- Permite aumentos de renta sin una Audiencia Administrativa cuando el aumento de renta no excede el Aumento de Porcentaje Anual Máximo.
- Las fechas de aumento de renta se han consolidado en una fecha de aniversario para cada parque.

El Aumento de Porcentaje Anual Máximo:

- Es el 75% del aumento en el Índice de Precios al Consumidor (IPC) de todos los artículos de San Francisco-Oakland-San José de abril, con un mínimo del 3% y un máximo del 7%.
- Se aplica a todos los aumentos de renta, con una fecha efectiva desde del 1 de octubre al 30 de septiembre del año siguiente.

Consulte la Ordenanza de Alquiler de Casas Móviles, Parte 4, Aumentos de Alquiler Permitidos.

Conozca los Fundamentos

¿QUE ES EL AUMENTO DE PORCENTAJE MÁXIMO ANUAL?

La Ordenanza de Alquiler de Casas Móviles prohíbe más de un aumento de alquiler en cualquier período de doce (12) meses. En virtud de la Ley de Residencia de Casas Móviles de California, así como de la Ordenanza de Alquileres de Casas Móviles de la Ciudad de San José, el propietario de un parque debe proporcionar a los residentes de casas móviles una notificación de aumento de alquiler de (90) noventa días.

El Aumento de Porcentaje Máximo Permitido se calcula en tres cuartos del Índice de Precios al Consumidor, sin embargo, la Ordenanza permite entre un mínimo de 3% a un máximo de 7%. La Ciudad determina anualmente el aumento de la renta.

Un aviso de la Ciudad del Aumento de Porcentaje Máximo Permitido se distribuye anualmente en junio a todos los propietarios de parques para su publicación.

Fórmula de Aumento de Porcentaje Máximo Permitido:

El IPC de abril de 2018 para el área de San Francisco establecido por la Oficina de Estadísticas Laborales reflejó un incremento porcentual anual de 3.21%. Tres cuartas partes del aumento del IPC es del 2.41%, que está por debajo del mínimo del 3%. Por lo tanto, de acuerdo con los requisitos de El Capítulo 17.22 del Código Municipal, el Porcentaje Anual Máximo para el 1 de octubre de 2018, hasta el 30 de septiembre de 2019, se establece en 3%.
¿QUE ES LA COMISION DE VIVIENDA Y EL DESARROLLO COMUNITARIO?

La Comisión de Vivienda y Desarrollo Comunitario ofrece un foro para que los propietarios de parques y residentes ofrezcan información sobre las Ordenanzas del Programa de Estabilización de Alquileres, que incluyen la Ordenanza de Control de Alquileres de Casas Móviles.

La Comisión también reserva un asiento para:
- Un representante residente de casas móviles y
- Un representante de propietarios de parques de casa móviles.

Algunas de las funciones de los trece (13) miembros de la Comisión de Vivienda y Desarrollo Comunitario son hacer recomendaciones con respecto a:
- Reglas, regulaciones, enmiendas y/o cambios que puedan considerarse necesarios para garantizar las operaciones en curso y administración de las Ordenanzas; y
- Los niveles de personal y las tarifas necesarias para operar y mantener el proceso de mediación y audiencia administrativa.

CAUSA JUSTA DE DEVOLUCION A LOS PROPIETARIOS DE CASAS MOVILES

Bajo la Ordenanza de Renta de Casas Móviles, los propietarios de parques pueden presentar una petición para una devolución justa y razonable.

Al presentar una solicitud de devolución justa, el propietario del parque está solicitando un aumento en exceso del porcentaje máximo anual, establecido previamente por el Programa de Estabilización de Alquileres en un 3%.

Por ejemplo, si los ingresos actuales de un parque de casas móviles, después de que hayan pagado los gastos, no sean tan grandes como lo fueron en 1985 (cuando se ajustaron por inflación), entonces el propietario del parque puede solicitar un aumento de la renta.

Consulte la Ordenanza de alquiler de Casas Móviles, Parte 4, Aumentos de Alquiler Permitidos
Sobre el Proceso de Peticiones

ABOUT THE RENT STABILIZATION PROGRAM

The Rent Stabilization Program’s mission is to oversee the City of San José’s Apartment and Mobilehome ordinances. Program staff members engage, educate and collaborate with residents of San José to build and maintain safe, healthy, and sustainable communities.

This guide is for San José mobilehome park owners and residents whose mobilehome space lots are covered by the City’s Mobilehome Rent Ordinance (MHRO) and Regulations.

The Mobilehome Rent Ordinance is supplemental to the STATE OF CALIFORNIA CIVIL CODE, Section 798 through 799.6 of the Mobilehome Residency Law (MRL) that governs mobilehome parks.

Residents may request a copy of this document from their park manager or they can visit the website: http://leginfo.ca.gov select Civil Code, and search for 798. Updates of the MRL are completed and made available to the public by February 1st of each year.

WHAT IS THE MOBILEHOME RENT CONTROL ORDINANCE?

The San José Mobilehome Rent Ordinance covers (59) fifty-nine mobilehome parks and approximately 10,838 mobilehome spaces in the City of San José.

The Ordinance:
- Allows rent increases without an Administrative Hearing when the rent increase does not exceed the Maximum Annual Percentage Increase.
- Rent increase dates have been consolidated into one anniversary date for each park.

The Maximum Annual Rent Increase:
- Is 75% of the increase in the April San Francisco-Oakland-San José All-item Consumer Price Index (CPI) with a minimum of 3% and a maximum of 7%.
- Applies to all rent increases, with an effective date from October 1st through September 30th of the following year.

Refer to the Mobilehome Rent Ordinance, Part 4, Allowable Rent Increases.

WHAT IS THE MAXIMUM ANNUAL PERCENTAGE INCREASE?

The Mobilehome Rent Ordinance prohibits more than one rent increase in any (12) twelve-month period, for a continuous tenancy. Under the California Mobilehome Residency Law as well as the City of San José Mobilehome Rent Ordinance, a park owner must provide mobilehome residents with a (90) ninety-day rent increase notice.

The Maximum Allowable Percentage Increase is calculated at three quarters of the Consumer Price Index. However, the Ordinance allows rent increases of 3% to 7%. The City calculates the allowable rent increase annually.

A City notice of the Maximum Allowable Percentage Increase is distributed each June to all park owners for posting.

Maximum Allowable Percentage Increase Formula: The April 2018 CPI for the San Francisco Area established by the Bureau of Labor Statistics reflected an annual percentage increase of 3.21%. Three-quarters of the CPI increase is 2.41% which is below the minimum of 3%. Therefore, in accordance with the requirements of Municipal Code Chapter 17.22, the Maximum Annual Percentage for October 1, 2018, through September 30, 2019, is set at 3%.
WHAT IS THE HOUSING & COMMUNITY DEVELOPMENT COMMISSION?

The Housing and Community Development Commission provides a forum for park owners and residents to offer input regarding the Rent Stabilization Program’s Ordinances, including the Mobilehome Rent Control Ordinance.

The Commission also reserves a seat for:

- One Mobilehome Resident representative and
- One Mobilehome Owner representative.

Some of the functions of the 13-member Housing and Community Development Commission are to make recommendations regarding:

- Rules, regulations, amendments, and/or changes that may be deemed necessary to ensure the ongoing operations and administration of the Ordinances; and
- Staffing levels and fees necessary to operate and maintain the mediation and administrative hearing process.

Know the Basics

FAIR RATE OF RETURN TO MOBILEHOME PARK OWNERS

Under the Mobilehome Rent Ordinance, park owners may file a Petition for a fair and reasonable return.

By filing a petition for a fair return, the park owner is requesting an increase in excess of Maximum Annual Percentage, previously set by the Rent Stabilization Program at 3%.

*For example,* if a mobilehome park’s current income, after expenses have been paid, is not as large as it was in 1985 (when adjusted for inflation), then the park owner may request a rent increase.

Refer to the Mobilehome Rent Ordinance, Part 4, Allowable Rent Increases.
Park Owner’s Responsibility:

- File a petition at least (95) ninety-five calendar days, but not more than (120) one hundred twenty calendar days before the date of the proposed rent increase with the Rent Stabilization Program;
- Submit supporting evidence;
- Notify mobilehome residents within (5) five working days of the date petition is filed;
- Make copies of the petition available along with all supporting documentation at the mobilehome park office; and
- Include the names and addresses of the mobilehome residents subject to the rent increase.

Program’s Responsibility:

Within (10) ten working days of the Rent Stabilization Program’s receipt of the park owner’s petition, the Program staff will notify both park owners and mobilehome residents of the:

- Date, time, location of
- Pre-Hearings and Hearing dates, and
- The Administrative Hearing Officer’s name.

A Pre-Hearing Conference is held to:

- Review submitted documentation to be presented at the Hearing, and
- Determine an agenda for the Hearing.

Any determinations made at the Pre-Hearing Conference are binding on all parties at the Hearing.

An Administrative Hearing is held to:

- Review all evidence and testimony presented by all parties involved; and
- Make a final and legally binding written decision.

Once a final decision is made, Program staff will mail a copy of the decision to the park owner, residents, and representatives.

Refer to the Mobilehome Rent Ordinance, part 6, Landlord Rent Petition, and Chapters 17.22.700 through 17.22.720

Refer to the Mobilehome Rent Ordinance, Part 7, Administrative Hearing, from Chapter 17.22.750 through 17.22.850.
WHO, WHAT, WHEN?

Hearing Attendees Include:
- Hearing Officer, park owner, residents, their witnesses and representatives
- Rent Stabilization Program staff

Petition and Supporting Documentation:
- Such as audio recordings, other case materials, and copies of decisions are official public record

Service Reductions:
- A mobilehome resident may file a service reduction claim if the park owner petitions for a rent increase*
- A resident files the written claim with Program staff and provides proof of their claim for the Hearing Officer’s review

Rent Increases above the Maximum Allowable Percentage Increase:
- Are allowed if the park owner has petitioned and Program staff has approved and notified the residents of the petition
- A Hearing Officer has authorized the rent increase

*Mobilehome residents may seek civil penalties through the courts if management reduces services without filing a Petition for an Administrative Hearing.

KNOW THE BASICS

Exempt Mobilehomes

Mobilehome lots, **not** subject to the Ordinance, are not required to pay the annual “Mobilehome Fee.”

Park owners who claim an exemption are required to submit to the Program a completed Mobilehome Fee Exemption Request Form with all required documentation by the deadline listed on the Form.

*Refer to the Mobilehome Rent Ordinance, Chapters 17.22.900 through 17.22.950.*

**Park owners are responsible for payment of the “mobilehome fee” for all mobilehome spaces covered by the Ordinance on or before January 31 of each year.**

租金穩定部的簡介

租金穩定部門的使命是通過教育、參與和合作的渠道來監督聖何西市的公寓和流動房屋條例，藉此可持續地建立和保障社區健康及安全的狀況。

本指南提供資料給那些被流動房屋租賃條例（MHRO）所管制的聖何西市的流動房屋居民及業主。

「流動房屋租賃條例」是對加州民法典第798至799.6條的補充，而流動房屋居住法（MRL）是管理流動房屋社區。

居民可以向其流動房屋社區經理索取該文件的副本，或上此網站：www.leginfo.ca.gov/calaw.html，選擇Civil Code，然後查看第798條。流動房屋居住法在每年的2月1日更新，請到時留意。

免責聲明：本指南不提供任何法律建議或替代「流動房屋條例」。而聖何西市並不能保證非本市所屬機構的服務質量。

什麼是流動房屋租金管制條例？

聖何西市流動房屋租賃條例管制59個流動房屋社區，而聖何西市約有10,838間流動房屋。

流動房屋租賃條例：
- 當租金增長不超過最高年租金增幅，就不需經過行政聽證會的同意而可增加租金。
- 統一每個流動房屋社區的加租日期。

最高年租金增幅度說明如下：
- 是4月份舊金山 - 屋崙 - 聖何西「所有項目消費物價指數」（CPI）的增幅的75%，最低增幅為3%，最高為7%。
- 這最高年租金增幅度有效於所有的租金加幅，生效日期為10月1日至下一年9月30日。

請參閱“流動房屋租賃條例”第4部分“Allowable Rent Increases允許租金增加”。

了解基础知识

什麼是每年最高租金增幅的百分比？

流動房屋租賃條例禁止業主對同一租客在十二個月內加租金多過一次。根據加州流動房屋居留法以及聖何西流動房屋租賃條例，流動房屋社區業主必須在租金增加前90天通知其租客。

每年最高租金增幅的百分比是按消費物價指數的四分之三計算。然而，該條例允許最低增長率3%，而最高為7%。每年租金的增幅是由聖何西市決定的。

每年的六月聖何西市會向所有的流動房屋社區業主公報最高租金增幅的百分比。

最高租金增幅百分比的計算公式：

由勞工統計局製定的2018年4月舊金山地區消費物價指數反映年增長新率為3.21%。CPI增長的四分之三為2.41%，低於最低為最高租金增幅百分比的3%。因此，根據市政法第17.22章的要求，2018年10月1日至2019年9月30日的最高年度百分比設定為3%。

租金穩定部設定每年最高租金增幅為3%，但流動房屋社區業主可提交公平回報的請願書，要求每年最高租金增幅的超過3%。

例如，如果在支付費用之後，流動房屋社區業主現在的租金收入不及當前1985年的水平（根據通貨膨脹進行調整），那業主就可以要求增加租金。

無需審查的允許租金加幅-簡介

流動房屋租賃條例下的理由:
- 不超過年度最大百分比增幅;
- 上次租金上漲是超過24個月前;
- 如果流動房屋居民沒支付租金，延遲付款或違反租賃協議而導致要空置單位的情況下，那租金加幅便無需受審查的允許。

流動房屋居民法下的理由:
- 如流動房屋業主按照流動房屋居住法第798.55-798.60條終止租約後，便可作出租金加幅;
- 如流動房居民自願性搬出單位後，業主可立即作出租金加幅。

- The Maximum Annual Percentage Increase is 75% of the increase in the April San Francisco-Oakland-San José All-item Consumer Price Index (CPI) with a minimum of 3% and a maximum of 7%.
- In June, the Rent Stabilization Program mails out a notice to the landlord with the maximum allowable percentage increase for the fiscal year. Landlords are required to post a copy of this notice.
- The Maximum Annual Percentage Increase applies to all rent increases, with an effective date from October 1st to September 30th of the following year. The Rent Stabilization Program consolidated all rent increase into one anniversary date for each park.
- If rents have not been increased for more than 24 months, they may be increased by the combined total of the allowable annual rent increases for the current and previous year.
- Per the MH Ordinance, a park owner must provide a homeowner with a (90) ninety-day rent increase notice.
- Increases above the Maximum Annual Percentage Increase may be allowed immediately following a vacancy during a court-ordered eviction, abandonment, and a dealer pull out. Exceptions may be verified with the Rent Stabilization Program.

Refer to the Mobilehome Rent Ordinance, Part 4, Allowable Rent Increases

Landlord Rent Petition (SJMC 17.22.700-17.22.720)
- Park owners may file a petition seeking a rent increase above Maximum Annual Percentage Increase. An administrative hearing must be held for these petitions.
- The petition shall include a statement of gross income and operating expenses incurred during the base year and the year immediately preceding the filing of the petition. A determination is made of the base year and the current year’s net operating income.

To learn more about Landlord Rent Petitions, please contact the Rent Stabilization Program at (408) 975-4480.
Service Reductions (SJMC 17.22.780)

- If the Rent Stabilization Program approves a landlord’s petition, mobilehome residents from that Park may present written documentation, including service reduction allegations during the hearing.
- Service Reductions are considered by administrative hearing officers when determining whether to accept the rent increase.
- The State’s Mobilehome Residency Law allows mobilehome park residents to make a written request for a meeting regarding service problems with the park owner or their representative.
- If your park owner has filed a petition with the Rent Stabilization Program, you will have an opportunity to file a written claim that a service reduction has occurred. Based on the evidence provided by the mobilehome owner, a hearing officer will determine:
  - if the service reduction is a type that may be considered under the Ordinance;
  - what, if any, amount of the rent should be decreased in order to compensate for the value of the service.

Mobilehome Rental Dispute Fee (SJMC 17.22.900-17.22.950)

- Mobilehome Rental Dispute Fees are set on a yearly basis and are approved by City Council and the Housing and Community Development Commission;
- One-half of the fee may be passed on to the resident of each rent controlled space;
  - Example: If the 2018 Rental Dispute Fee Amount was set at $25.70 per space, then one half of that fee, $12.85, may be passed on to the resident
- The pass-through fee amount should be indicated on the resident’s bill separate from the base rent;
- Park owners that would like to file a Mobilehome Rental Dispute Fee Exemption should contact the Rent Stabilization Program to learn about allowable exemptions and required documentation.

Housing and Community Development Commission

The Commission acts in an advisory capacity to the City Council and the Department of Housing. Some of the functions of the thirteen-member Housing and Community Development Commission are to make recommendations regarding:

- Rules, regulations, amendments, and/or changes that may be deemed necessary to ensure the ongoing operations and administration of the Ordinances, including the Mobilehome Rent Control Ordinance;
- Staffing levels and fees necessary to operate and maintain the mediation and administrative hearing process.

The Housing and Community Development Commission provides a forum for landlords and residents to offer input regarding the Rent Stabilization Program’s Ordinances, including the Mobilehome Rent Control Ordinance. The Commission also reserves a seat for one Mobilehome Resident representative and one Mobilehome Owner representative. Meetings are scheduled for the second Thursday at 5:45PM of each month at San José City Hall. Please contact the Rent Stabilization Program to determine where the commission meetings will be held.

MOBILEHOME RESIDENCY LAW SUMMARY

The Mobilehome Residency Law (MRL) is a summary of the state law governing mobilehome parks. The MRL covers topics such as, rental agreements, rules and regulations, fees and charges, utilities, rent control, termination of tenancy, and registration and titling.

The park owners must provide mobilehome residents with a copy of this document by February 1st of each year. The Mobilehome Residency Law is available on the State Legislature’s website: www.hcd.ca.gov and can be found in Section 798 of the Civil Code. If mobilehome residents have not received a copy of the Mobilehome Residency Law, residents should ask their park managers to provide them with a copy.

RECOMMENDATION

That the Housing and Community Development Commission, acting as the Housing Trust Oversight Committee, recommend that the Director of Housing approve the following expenditure plan for the Housing Trust Fund for $1,972,088 for Fiscal Year 2019 – 2020.

BACKGROUND

In the early 1990s, the Housing and Homeless Fund was established as the repository of funds with relatively few requirements that the Housing Department receives from time to time. The name of the fund was subsequently changed to “Housing Trust Fund” (HTF).

The HTF was established in part because most other funding sources available for affordable housing programs specifically prohibit expenditures on homeless shelters or for the case management services that many chronically homeless individuals need in order to succeed in obtaining and retaining permanent housing.

The Municipal Code specifies that the Director of Housing will administer the HTF (and any other funding source) grants, contracts or other expenditures exceeding $290,000 need approval by the City Council while the Director is authorized to act independently for those under $290,000. The Code also specifies that there be a committee to advise the Director on the use of HTF funds. By resolution, the City Council named the Housing and Community Development Advisory Commission (and, by extension, the Housing and Community Development Commission) to act as that committee.

ANALYSIS

Each year, the Department presents the Commission with the proposed HTF budget for the upcoming Fiscal Year (FY). In order to provide context and trends, the HTF budget for the previous year FY 2018 – 2019 is included as well as the proposed 2019 – 2020 expenditures. High-level summaries of the complete HTF budgets are provided as Attachment A for FY 2018
Homeless Initiatives ($50,000)

- UPLIFT - Transit Passes ($50,000)
  The “Universal Pass for Life Improvement from Transportation” program is operated by the County of Santa Clara Office of Supportive Housing. The program purchases quarterly transit passes – at deeply discounted rates – from the Valley Transportation Authority for homeless individuals who are receiving case management services. The County contributes the staff time necessary to run the program plus funds for purchasing the transit passes in an amount twice the size of the City’s contribution. This funding will assist with 1,000 bus passes in the coming fiscal year.

Housing and Homeless Projects ($1,000,000)

- Employment Initiative ($125,000)
  The Employment Initiative is managed by Destination: Home. The program aligns system resources and living-wage jobs for homeless or formerly homeless individuals participating in supportive housing programs. Destination: Home leverages other funding sources for operations of the Employment Initiative. This funding will be used to contribute to the two-year contract with Destination: Home to fund the manager position for the Employment Initiative with an annual goal of placing 100 individuals into fulltime jobs.

- All the Way Home campaign ($75,000)
  The All the Way Home campaign launched on Veterans Day 2015 and is managed by Destination: Home. The program works with landlords and apartment owners to access rental units for homeless veterans and their families. This funding will be used to contribute to the two-year contract with Destination: Home to fund the manager position for the All the Way Home campaign with the overall goal of ending homelessness for all local veterans. The Housing Department further supports the campaign with $5M from a different funding source (Housing Authority Litigation Award) to help landlords improve their properties to provide housing to veterans, as well as provide rental subsidies for veterans.

- Dignity on Wheels ($300,000)
  Dignity on Wheels is a mobile shower and laundry trailer that is operated by Project WeHOPE six days per week at various locations throughout San José. The goal of the program is to assist up to 1,000 homeless individuals to overcome the barriers preventing them from attending their medical, housing, job, or case management appointments through mobile hygiene opportunities. In the upcoming fiscal year, Project WeHOPE will receive $250,000 from a different funding source (Homeless Emergency Aid Program) to purchase two additional trailers. One trailer will provide showers and laundry while the other will be designed as a mobile rest stop, which will offer case management and essential services, including restrooms and WiFi. The
increased HTF funding from FY 18-19 will support the operations of all three trailers in FY 2019-20.

- **Safe Parking Pilot Program ($250,000)**
  Operated by LifeMoves, the Safe Parking Pilot Program for Families began on November 1, 2018 at Seven Trees Community Center. The program creates a safe and secure place for car and recreation vehicle dwellers to park and sleep, increase access to available services, reduce traffic and the number of people living illegally in their vehicles on the streets, decrease enforcement actions and resulting legal costs to homeless individuals, and provide resources to secure permanent housing and economic stability. On March 26, 2019, City Council approved the expansion of this pilot at two additional city-owned sites. The two-year contract to LifeMoves will fund ongoing operations at the Seven Trees location. LifeMoves will receive $400,000 from a different funding source (Homeless Emergency Aid Program) to operate the two expanded safe parking sites at Roosevelt Community Center and Southside Community Center. While the HTF grant award will support the Seven Trees Pilot, serving 17 vehicles on any given evening, the LifeMoves contract will include all three sites and combine funding from the two sources. Operations at three sites will increase capacity to over 60 vehicles per evening.

- **Homeless Services ($250,000)**
  During the 2017 homeless census, 4,350 people were found to be homeless within the City’s boundaries (a total of 7,394 were counted throughout Santa Clara County). Of the 4,350 counted in San José’s point-in-time count, 74% were unsheltered (living on the streets, in parks or in homeless encampments). In the upcoming year, this Homeless Services money is set aside as a contingency, to be used supplement or enhance existing programs or to fund new programs for homeless households with the end goal of attaining permanent housing.

- **Emergency Assistance ($63,000)**
  Emergency assistance funding provides Homelessness Response Team staff with a flexible resource to cover costs such as motel stays for temporary housing emergencies, such as a fire, natural disaster or condemnation of a home, that would otherwise result in homelessness for adults, youth, and families. This funding will be provided by the County of Santa Clara and used to continue these services in the coming fiscal year.

- **Non-Personnel ($50,000)**
  The non-personnel funding allows for the Homelessness Response Team to enhance programs and invest in staff retention. The funding will pay for costs not allowable with more restricted funds, such as staff trainings and meeting reservations.
• Transfers to Other City Departments ($68,500)

  o Parking Fund/Public Restrooms ($31,200)
    This funding is set aside to partially pay for the maintenance of the public restrooms in the downtown core of San José, which are often utilized by homeless persons. The funding is transferred to the Department of Transportation.

  o Rent ($37,300)
    This funding is set aside to cover costs associated with the Homelessness Response Team’s rent on the 12th Floor of the Tower at City Hall. The funding is transferred to the Finance Department.

• City Staffing and Overhead ($740,588)

  o This funding will pay for four positions whose duties are related to responding to homelessness. HTF is one of the only eligible funding sources to pay for positions on the Homelessness Response Team. A minimal amount of funding is set aside ($37,588) for the City Attorney’s Office for legal services associated with these services.

A representative from the Department’s Homelessness Response Team will be at the meeting on April 11, 2019 and will be able to answer any questions.

TO: HONORABLE MAYOR AND CITY COUNCIL

FROM: Councilmember Sergio Jimenez

SUBJECT: AB 705 (Stone) Mobile Home Park Closures

DATE: March 28, 2019

ANALYSIS

On several occasions I have stated that we need to protect our affordable housing stock with the same vigor we protect our threatened employment lands. In San Jose we have approximately 35,000 mobile home park residents, the largest number of mobile home households in any city in California. Furthermore, we know for a fact that if mobile home residents are displaced they will likely have no comparable housing available to them in San Jose or even Santa Clara County. For this reason I urge my Council colleagues to support Assemblyman Mark Stone’s, AB 705, which seeks to clarify and strengthen protections for mobile home owners facing displacement due to park closures or conversions.

This bill would ensure that when a mobile home park containing low and moderate income housing is converted for a different use, it will not result in the unmitigated loss of affordable housing. Current law requires the preservation of mobile homes which are a source of affordable housing, but the enforcement mechanisms are inconsistent and can result in the loss of mobile home spaces and displacement of park residents.
