3. PUBLIC HEARINGS

a. **HP17-006.** Historic Preservation Permit to allow new landscape and hardscape features along the front and side yards of the Scottish Rite Temple/Corinthian Grand Ballroom located at 196 N. 3rd Street in the Saint James Square Historic District. No changes to the building’s architecture and features.

*Project Manager, Ed Schreiner*

**Recommendation:** Review project plans, receive public comments, and recommend that the Planning Director approve HP17-006 to install landscaping with the following two conditions:

1. All plantings shall be installed in the ground and not in planter boxes.
2. The applicant shall install an automatic irrigation system and all plant materials shall be permanently maintained.
Juliet Arroyo, the City’s Historic Preservation Officer (HPO), introduced the project and stated that the proposed project would restore landscaping to an area that had been paved over. The landscaping would need to be restored consistent with the Secretary of the Interior’s Standards. The applicant’s representative was present to answer questions.

Commissioner Saum opened the public hearing. There were no speakers. The public hearing was closed.

Commissioners noted that the proposed plans were not consistent with the recommendations of the Design Review Committee, which were provided at the January 17, 2018 meeting.

There was a motion and a second to approve the Historic Preservation Permit with the caveat that the applicant provide more detailed drawings including elevation plans that address the following:

- The plantings along the perimeter should be no more than two feet high
- The edge of the plantings at the sidewalk should be finished in design and materials
- The height and species of the shrubs should be the same on either side of the building entrance.

The updated plans should be submitted to the City before the Historic Preservation Permit is approved by the Director of Planning, Building and Code Enforcement.

The motion passed 6-0-0.
