BACKGROUND

On September 4, 1990, the City Council adopted Ordinance No. 23589, which delegated to the Director of Housing certain specified authorities in the administration of the City’s comprehensive affordable housing program (the “Delegation of Authority” or “DOA”). On May 23, 2000, the DOA was amended by Ordinance No. 26127 to clarify certain sections and to add several other provisions. On June 25, 2002, the DOA was further amended by Ordinance No. 26657 to add several provisions delegating additional authority to the Director of Housing, the Director of Finance, and the City Manager. Subsequently, the City Manager delegated to the Director of Housing the contract authority granted to the City Manager. Effective July 26, 2007, the DOA was further amended by Ordinance No. 28067 to modify certain provisions in order to streamline the Housing Department’s process of making and adjusting loans and grants.
The DOA is codified in Chapter 5.06 of the Municipal Code. This Memorandum reports on activities undertaken pursuant to the Administration’s delegated authority for the period of April 1, 2015 through June 30, 2015.

ANALYSIS

The DOA authorizes the Director of Housing: to develop and implement additional guidelines for housing programs; to adjust terms on housing loans and grants; to change the funding sources of a loan; to convert loans to grants; to loan or to grant Housing and Homeless funds, Predevelopment funds, and Housing Rehabilitation Program funds; to negotiate and to execute grant agreements necessary to implement Council-approved programs adopted in the Annual Action Plan of the Consolidated Plan; to provide management for, and/or dispose of, properties acquired through direct purchase, foreclosure or deed-in-lieu proceedings; to formalize the City Council’s policies and procedures regarding housing loan defaults; to apply for federal or State funding; to determine, within defined parameters, various terms and conditions of loans and grants previously approved by the City Council; to make adjustments, within defined parameters, to loans and grants previously approved by the City Council; and to make other technical changes.

Further, the DOA delegates jointly to the Director of Housing and Director of Finance certain authority related to the City’s issuance of tax-exempt, private activity bonds to finance the development of affordable housing projects. The DOA also delegates to the Director of Finance the authority to hold Tax Equity and Fiscal Responsibility Act (TEFRA) hearings on the City’s proposed issuance of tax-exempt bonds to finance affordable housing projects.

Attached are charts that detail the actions taken under the DOA during the period of April 1, 2015 through June 30, 2015.
