Commissioner-initiated proposals include (the first 4 in bold being prioritized for consideration in order, to the extent time allows):

- **Board and Care Regulations and Properties** - 85% of shelters in San José are composed of senior citizens and with a review of regulations and development, we can properly care for our elderly community members.

- **Additional Density Bonus for Affordable Housing** on affordable housing projects

- **Nonprofit Housing Co-ops First Opportunity to Buy Affordable Housing Properties** - the first opportunity to buy affordable housing by condition before the owner sells it

- **Provide RV Parking with Services** - Create a safe parking program for RVs. Allocate 1 or more acres of the Fairground, a similar location, such as an abandoned motor lodge for RV Parking or purchase an existing RV rental company. Provide case workers as is done with Safe Parking. Other than this, can start with no services. As budget permits, provide water, sewer, and electrical hookup. Monitor for illegal activity to protect and keep the area safe. Eventually, add bathrooms with showers, sinks, and toilets. Can charge a fee on a sliding scale based on income and service offering

- Incentivize developers to build affordable units rather than pay the fee. Two ideas are different fee amounts, or making the fee option require an exemption by city council, as Milpitas does.

- **Next steps re: vacant properties** - Both our continued work and the City’s study of the issue as a possible tax
- **Mobile home park replacement housing ordinance** to turn the Winchester Ranch Mobile Home Park negotiated agreement into a model for policy
- **Funding worker-owned businesses through CDBG funding**
- **Tiny homes** - request a report back and explore possible replication to other sites in the City
- **Land owned by City of San José** within 0.5 miles of transit must be built or sold if it has sat empty for 10 years
